CLASSIFIED

EQUIPMENT EXCHANGE

EXCEPTIONAL OFFER

Recently purchased **PDP-9** with DEC tape control and transports including these additional factory-packaged peripherals:

- Memory module
- Mag tape controller
- 7-Track transport
- A/D multiplexer
- Relay buffers

This complete package features great flexibility for data acquisition and control systems. For details call 212-261-0331/0710.

APPOINTMENTS AVAILABLE

INDUSTRIAL ENGINEER

To head department of operational research in 600 bed hospital in Mayo Medical Center. Degree in Industrial Engineering essential. Prefer at least 3 years experience in health care setting. Write: R. C. Spavin, Director of Personnel, Rochester Methodist Hospital, Rochester, Minn. 55901

POSITION WANTED

MEDICAL ENGINEERING MANAGEMENT

Scientist, engineer, biologist. Wide experience in instrumentation, medical research, computer applications, development, and marketing. Academic and industrial background. Capable of assuming overall research project or product line responsibility.

Box #168

Medical Research Engineering

ACQUISITIONS SOUGHT

ACQUISITIONS— MEDICAL TECHNOLOGY

Public company with background in electromechanical and electronic equipment sales and servicing wishes to acquire companies manufacturing and/or distributing medical instrumentation and supplies—only profitable operations with minimum \$500,000 volume considered. Send complete financial and product information.

Box #861

Medical Research Engineering
